CAPACITY

I hold a degree in Mathematical Sciences, majoring in Statistics and Computer Science. As a naturally curious and quietly determined individual, I'm committed to lifelong learning and personal growth. My academic background has equipped me with strong analytical, technical and problem-solving skill, while my journey both in and outside the classroom has taught me the value of collaboration, and adaptability. I thrive in environments where I can contribute meaningfully, connect with people from all walks of life, and keep evolving both professionally and personally.
